

NO TOOLS NEEDED EASY REMOVAL

The New Tuscan SeamClip

The Tuscan SeamClip™ is the world's first one-piece tool less joint levelling system that will greatly assist in the installation of porcelain, stone, ceramic, marble, granite and large format tiles on floor or wall from 3mm - 13mm in thickness.

**FOR FLOORS
& WALLS**

Lippage Free

The interlocking design of the Tuscan SeamClip™ essentially eliminates lippage whilst simultaneously minimising the possibility of warping resulting in a smooth flat surface.

- ➔ 1-Piece System that virtually eliminates lippage during tile installation
- ➔ No tools needed
- ➔ Easy to use
- ➔ Made in the USA* from recyclable material
- ➔ Designed for calibrated Tiles 300mm and above

AVAILABLE IN 3 SIZES

White 3mm - 6.5mm thickness

Blue 6.5mm - 9.5mm thickness

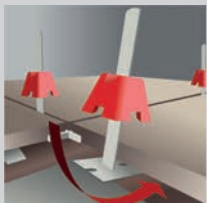

Red 9.5mm - 13mm thickness

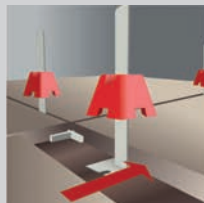

LIPPAGE FREE HASSLE FREE

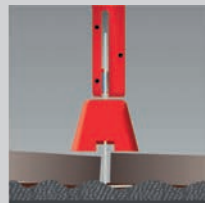

The Tuscan Leveling System is the way to professionally lay large tiles, fast.

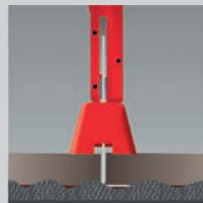

Position strap and cap

Lay the tile

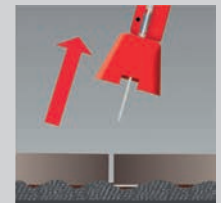

Attach setting tool

Tension until level

Wait for glue to dry

Remove strap and cap

- ➔ The system is easy to learn and use at any skill level
- ➔ Makes installation twice as fast and more profitable
- ➔ Reduces installer fatigue and stress

- ➔ Prevents tiles from moving whilst drying
- ➔ Drastically reduces the need for grinding
- ➔ For use with tiles 300mm or larger
